All the PIB/CBC Offices  
All newly empanelled CAs

**Subject: Empanelment of CA/CA firms for Circulation Audit by PIB offices-reg.**

The Competent authority has approved the new panel of CA/CA firms as attached herewith. The new panel may be operated with immediate effect.

2. The CA/CA firms have been allotted a maximum of five states in which their branch offices are located, including the state in which the Head office is located. RNI HQ reserves the right to alter any state for empanelled CA/CA firms keeping in mind the audit requirement.
3. RNI HQ reserves the rights to utilize the services of any CA firm in any part of the country as per requirement. The ADG(R), can also take the services of the empanelled CA/CA firms from outside the state (preferable from nearby states) in case of inevitability with intimation to the ADG(R) of that state.
4. Assignment to CA/CA firms in particular state has to be on rotation basis. Denial/unwillingness of any CA for any assignment will lead to his non-selection even in next one round of rotation.
5. In the same context, it is emphasized that every effort should be made to seek assistance from the local empanelled CA firm (or even local branch office) to minimize the effective cost to the exchequer. In cases of circulation verification where there are more than one edition of the same publication located in different cities, assistance of CA firms( or their branch offices) situated in the same city as of the publication may be sought rather than hiring one single CA firm for the complete assignment.
6. In order to bring fairness and transparency to the work of auditing, every effort shall be made to ensure that the same CA firm is not assigned the task of auditing for a particular publication in the consecutive spot verifications, after the expiry of their circulation certificate. This however should not be treated as an exception to seek assistance of an outstation CA firms.

This issues with approval of Press Registrar.

*With immediate effect.*
