

## **ATTENTION**

It has been observed that the correspondence received from publishers regarding work related to RNI Title and Registration Divisions are simply scribbled at the signature portion without giving the exact name, designation, e-mail ID, etc of the authorised signaturee/publisher and printer. Attention of the publishers is drawn to this and this office will not entertain correspondence in future without clear mention of the name, designation and e-mail ID of the publisher, printer/authorized signaturee or any other person who is signing "FOR" the publisher/printer.
